Virtual Meeting REDARTE/RJ – ARLIS/NA, June 06, 2019
The Art Libraries and Information Centers Network in the State of Rio de Janeiro, Brazil (REDARTE / RJ) was founded in 1995 aiming to promote and to encourage the use of informational resources in Art.

The members provide for the public a great amount of data available in cultural and educational collections.
The Network plays an important role in the field of Art Information with stress in collaboration, cooperation and solidarity among its members in order to benefit the society.

Currently the Network is composed of 35 Institutions, whose representatives meet once a month.
